Graduates of the College (Alumni Discount) - £2,700 (per year)

* There are no fees for part time overseas students as students must be full time in order to be issued a visa.

Other Costs:

Other costs that need to be considered are those associated with the student's project. A MA Creative Practice student must consider the costs of materials, space, processing services and equipment that are required to fulfil their proposed objectives.

The course leader asked previous students about their spending on their resources and they suggested a sum of £250-300. However, some students may spend less or more depending on their actual project. Financial planning is an important aspect of being a creative practitioner.
