General Art & Design
Access to Higher Education

Blenheim Walk and Blenheim Court

The Blenheim Walk and Blenheim Court buildings are situated at the top of Woodhouse Lane, opposite the Parkinson Tower of the University of Leeds. We have a car park in Blenheim Walk, that is usually full until 5pm each day. After 5pm spaces are available for visitors.

The nearest public car park is the multi-storey car park which is 400 metres beyond Blenheim Walk at Woodhouse Lane. This is clearly signed and easily accessed from the inner ring road shown on the map.

Vernon Street and Brodrick's Buildings

The Vernon Street and Brodrick's Buildings are between the Merrion Shopping Centre and Millennium Square. Some on-street parking is available, but it is expensive and limited to two hours. We would suggest that you use one of the multi-storey car parks in the area.

Arriving by car

Follow the signs for the City Centre, Leeds General Infirmary and the Universities. Arrows on our map show the city's one way system and the most direct route to take.

Arriving by rail

The Vernon Street and Brodrick's Buildings are a ten minute walk from Leeds Railway Station. Blenheim Walk and Blenheim Court are a further ten minute walk from there. Taxis are available from the station forecourts.

Arriving by air

Leeds Bradford International Airport is about eight miles from the city centre. Manchester Airport has regular, direct rail connections to Leeds Railway Station.

Arriving by bus

There are buses every five minutes that go past the Vernon Street and Blenheim Walk buildings that you can catch from the bus station or Infirmary Street outside the railway station.

Buses to our Blenheim Walk building that pass Vernon Street.

1, 6, 28, 56, x84, 95, 97, Free City Bus

Special needs or access requirements

If you have any special needs or access requirements, please contact Student Advice on 0113 202 8111 before your visit. They will be pleased to talk to you about this or any other requests.
