Support the Next Generation of Creative Practitioners

We wish to ensure that all our students are able to realise their potential, regardless of their financial background. Your support will help future generations of artists and creatives flourish.

The Leeds Arts University Alumni Fund was set up in 2015 to enable support for current and future students. The fund provides individual bursaries to support travel and research for students studying on undergraduate courses at the University.

If Leeds Arts University has made a difference to you, and you would like to make a positive contribution to the future of current students, please consider making a donation. Gifts of every size have a lasting impact and Leeds Arts University is profoundly grateful to all those who support our work and our students.

If you are interested in offering students a bursary, award or scholarship, or in having a confidential and informal discussion about leaving a bequest to the University please contact the Alumni Relations and Development Officer at Leeds Arts University on: **+44 (0) 113 202 8142** or **alumni@leeds-art.ac.uk**.
