**Other Costs:**

Other costs that need to be considered are those associated with the student's project. An MA Photography student must consider the costs of materials, processing services and equipment. The additional production costs for student's individual projects will vary depending on the type of work produced and costs may occur from travelling to locations, sourcing props, models, for example. Financial planning needs to be a crucial part of projects proposed and completed for the MA Photography.

There may be opportunities to participate in educational visits during the course that will be optional. The costs of these visits will depend upon the activity and destination.
